

Designers' TOP PAINT COLOURS FOR KITCHENS + BATHS

Produced by JACKLYN GILMOR

Chantilly Lace (OC-65), Benjamin Moore.

FOR BATHROOMS

“My top colour choice is Chantilly Lace by Benjamin Moore. It’s a lovely soft white that goes with everything.”

– Aly Velji

Iron Mountain (2134-30), Benjamin Moore.

FOR KITCHENS

“For dark cabinets, I’ve been using Iron Mountain and Black Panther by Benjamin Moore — both are beautiful off-blacks. For mid-tone cabinets, I’m loving Charleston Gray by Farrow & Ball.”

– Lynda Reeves

Charleston Gray (243), Farrow & Ball.

Mouse's Back (40), Farrow & Ball.

FOR KITCHENS

“I just used Mouse’s Back by Farrow & Ball on all my cabinetry and I’m obsessed. It’s a rich grey-brown-green colour that changes throughout the day. It feels moody but warm, modern but classic. We topped the millwork with black soapstone, and it’s a gorgeous combination. I can’t see myself ever getting sick of it.”
